

Nursery Home Learning

Today is all about our enjoyment of reading!

1. Get dressed in your favourite story character costume and watch and enjoy Mrs Grimes, Mrs Horne-Smith and Miss Freeman as they read their favourite story to you.
2. Today we will be having a **readathon** where as a whole school, we read and enjoy as many books in one day as we can and gather together these numbers to see what the **whole amount** of reading was for today. Although this is a readathon it is all about **quality** over **quantity**. Choose some books today that you love or some you haven't read yet. Sit down as a family and enjoy them. If you would like to read lots of stories then do so, but we would encourage you to spend this time really digesting and enjoying having the time to just read. We have spent a lot of this year separate and online - lets share our reading today!
3. Please send us pictures of you reading your favourite story and tell us how many books you have managed to read today and what you enjoy most about your favourite story, just like your teachers have!
