

8th September 2021

Dear Parents / Carers

KS1 Extra Curricular Football

We are delighted to be able to offer extra curricular sports activities again this year. During the Autumn term, we are offering children in KS1 the opportunity to participate in a football club run by Newcastle United Foundation on a **Friday from 3:15 - 4pm**. This club will begin on Friday 17th September.

The club is limited to **16 children**, so spaces will be allocated on a first come, first serve basis. However, if there is a high demand for the club, then we may have to offer children a place during either the first or second half of the Autumn term - we will be in touch to confirm groupings. As the children will have had their PE session earlier in the day, they will already be dressed in their kit, no extra kit is necessary. But if your child does have football boots and or shin pads, then please bring them along.

There is no charge for this club and children will need to be picked up from the main entrance at 4pm, once the club is finished.

If you would like your child to attend the club, please fill in the form below as soon as possible as spaces are limited.
