Writing Challenge

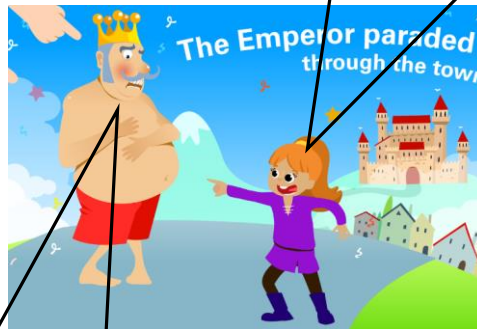

Read the story first:

The king looked at the outfit the tailors had made. Where was it? He could not see it? He did not want to say he could not see anything so he said he loved it.

Then he went out of his house and into the town to show off his new outfit.

Everyone gasped as they could not see the clothes. No one was brave. No one said this until a little girl saw him.

Now write down what the king and the girl said:

Remember to:

- Write neatly
- Leave finger spaces
- Use full stops and capital letters
