

The Physical Stuff!

Today for our PE lesson, we are going to train to become firefighters!

Watch and join in with these firefighter hit videos - Have fun and get moving!

(NB. Parents if your children find these videos tricky adapt some of the exercises or shorten the amount of time they do them for)

Communication and Language

In Nursery, alongside every topic we sing, sing, sing!

Today we would like you to work on performing in character.

1. Choose your favourite people who help us songs attached.
2. Gather together any props you have made throughout the week.
3. Perform the song dressed as your favourite emergency services worker.
4. If you don't have the uniform, can you make it? Use your police badge from earlier in the week if you are a policeman, or

your fire engine you have built if you are a firefighter.

5. Perform the song and have your adult video you.

6. Send us your video performance, we look forward to seeing your musical masterpieces!

Nursery Home Learning

Topic

Today let's enjoy an episode of fireman Sam.

<https://youtu.be/CBiXprmrhpM>

All of the emergency services we have looked at this week would be unable to complete their jobs if they did not have their emergency vehicles to store all of their equipment.

Today could you build your own 3d emergency service vehicle? It could be a police car, an ambulance or a fire engine.

See what items you can find at home

Cardboard boxes

Bottle tops

Tinfoil

Plastic holders

And get creating your own vehicles ready to use when performing your song video today!!

Day 5 And finally...

We'd love to see what you've done today. Upload some pictures to your child's school 360 journal. Don't forget to email if you have any questions or concerns.
