

Cherry Class Blog 16

Hello Cherry families, hope you are all well. Thank you to parents last week for feedback. The weather has been very hit and miss so let's hope we get a good week of sunshine.

Unfortunately, this is my last blog to you guys, you have all been troopers and have produced some amazing work, so a huge round of applause. Stay safe and let's have a good week.

Monday: What butterflies can you find out in your garden or on your daily exercise? See if you can take a pictures and find out what type of butterfly it is, look at the colours on the body/wings, look at how (key word) symmetrical the wings are. How many butterflies did you see, were they all the same or different, were they large or small? Maybe help your child make or draw a simple chart or some pictures.

You can trace the letter/word or help draw a picture of your answers. Use stickers or colouring pencils to brighten up your chart/picture Good luck.

EYFS Developments –Understanding the world, Mathematics, Physical Development, Communication and Language, Literacy

Tuesday: Nature prints using paint, our surroundings are blooming with lushest green bushes, trees, flowers. Why not choose some and do some nature printing – you could also use pebbles and stones. Identify each one with your child and make a lovely nature print picture. It's just like leaf printing, simply paint your chosen nature object and print it onto paper, if you want to be really messy you could use mud instead of paint. Here is an example below:

EYFS Development – Communication and Language, Physical Development, Understanding the world

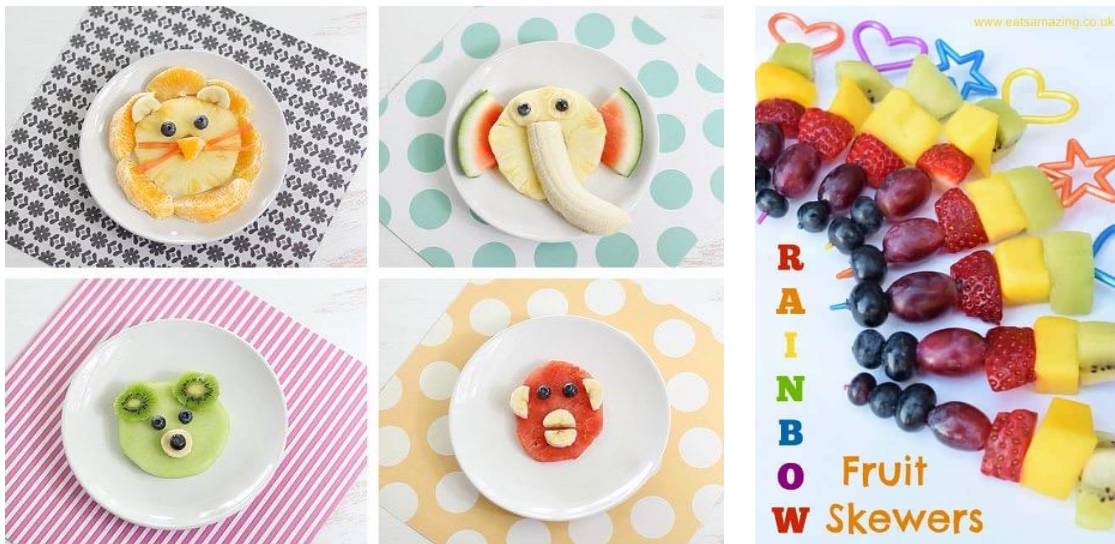

Wednesday: Lets go on a sound hunt – you can choose your destination or simply sit in your garden. En route to your destination/garden what sounds can you hear? It could be broom, shhhh, buzz, meow, woof, vroom, drip, tick tock, ding dong, beep.

EYFS Development – Communication and Language

Thursday: Fruit skewers/faces – Last week I made my own fruit skewers, I love fruit and I know lots of you Cherries do too. What fruit skewers can you make? They could have your favourite fruit on them like a rainbow. My favourite fruit is kiwi, banana, peach, nectarine and melon. You could even make a fruit face. Have a go and see what you can make. Don't forget to help mum/dad cut the fruit up safely and watch those fingers.

EYFS Development – Physical development, Communication and Language,

Friday: How many numbers can you find around your house, could be your door number, numbers on kitchen appliances, number on picture/photos, fridge magnets anywhere in the house and garden see which numbers you can find.

Monday: Let's make some playdough here is an easy and simple recipe for you guys.

1. Two cups of plain flour into a bowl
2. Half a cup of salt into the same bowl
3. Table spoon of cream of tartar into the bowl
4. Add in any extras likes glitter, herbs or food colouring
5. **Adults only** pour a cup of boiling water into the bowl and mix add extra if need be.
6. Allow to cool and get mixing.

What can you make with your playdough?

EYFS Development – Physical Development, Mathematics, Expressive Arts and Design, Communication and Language

Tuesday: Playdough finger gym. This is very helpful for your child's fine manipulative skills, hand and eye coordination and strengthening your child's hands and fingers for those key writing skills. Follow the links below and have fun. Get your playdough at the ready! This can be done daily as part as your home schooling routine.

EYFS Development – Physical development, Communication and Language.

Wednesday: Our very last day – Lets have a celebratory Tea Party for all your hard work. Get the balloons out, help mum/dad blow them up, set the table with what you need - table cloth, cups, spoons, knife, fork and plates. Maybe some flowers to go in the middle. Bake a cake or some fairy cakes. Help mum/dad make your favourite thing to eat, wear a party hat and your smart party clothes. Play the music and have games like musical bumps, statues and chairs, pass the parcel, pin the tail on the donkey and most of all have fun.

EYFS Developments – Physical Development, Personal, Social and Emotional Development, Communication and Language, Understanding the world.

It has been a pleasure to be a part of all of your lives over the past year or more for some of you, we have truly enjoyed all of your company. You started as buds and each and every one of you has bloomed into a flower of your own. We will look forward to welcoming you back to Cherry Class and also seeing you start your new exciting adventure in Apple Class. Have a fabulous and safe summer, all of our love the Cherry Class team.
