Beech Class Homework

13th January – 20th January 2023

This half term, we will be learning about some famous polar explorers. Some of them explored the Arctic, some of them the Antarctic and some explored both!

If *you* were an explorer, where would you choose to explore? Why?

You can choose anywhere you like – it doesn't have to be a polar region. Maybe you fancy a trip to the Sahara desert? Or space? It's up to you!

I would explore

because

Draw and label the things you would take with you on your exploration. You can even draw a picture of yourself dressed for the adventure, if you like!
