

Monday 8th June

Sound Time

Well done everyone, you know all the Read, Write Inc sounds so now is the time to practise using them. This week we are going to focus on the different ways of making:

Now read the words (watch out some of them are made up!)

way	main	chay	brain
	strain	shake	same
nade	spray	tray	claim
	emprain	crate	Sunday

Which words were made up?

Ditty Time!

Once upon a time there was a vain and foolish emperor.

He said to some tailors “make me a new set of clothes not the same as any others”.

They made the clothes all day until late into Sunday. The emperor paid them well.

When he tried on the clothes, it was a strain but he was amazed!

Hold a sentence:

The tailors made an outfit on Sunday.

Then they had a cake on a tray.
