

## English - Extending Sentences by Using Conjunctions

1. Listen to the story of The Chinese New Year Race of the Animals. Isn't it an unusual story?
2. Have a go at the worksheet below: Chinese New Year Conjunctions. Finish the sentences after the conjunction. Make sure the whole sentence makes sense!
3. **Extension Challenge** - make up more sentences about the Race of the Animals. How many conjunctions can you use?

## Maths - Multiplication - arrays

### Let's learn:

Today we're going to use arrays to help us do multiplication. Remember that arrays are just rows and columns. Watch the video and have a go at the worksheet.

### Practical Maths:

Find some arrays in your house like a bar of chocolate or rows and columns. Let me show you:  $4 \times 2 = 8$   
See how many you can do!

Write the multiplication sentence for the

# Oak Class Home Learning: Monday 8th February

## Topic - Chinese New Year!

This week we are learning about Chinese New Year, which will be celebrated this Friday, 12th February 2021! Millions of people in China, as well as many others living around the world, will join in. It is important for us to learn about the different traditions and celebrations of people in our world.

**Task 1:** watch the videos to find out more about Chinese New Year and the ways it is celebrated.

**Task 2:** make a Chinese New Year paper lantern. Use the attached instructions and template (p.2) to make your own!

## Physical challenge - socks in the box challenge!

How many socks can you pair up and put in a box in 60 seconds? Place unpaired socks 5 steps away from a box. Run, match up a pair, and put them in the box. If you do not have a box, use a wash basket or a bowl. You could add odd socks as red herrings!

## Can you beat your score from Week 2?
