

Writing Instructions

Learning Objectives

In this lesson you will:

- Write a set of instructions about how to build an Anderson Shelter.

You are going to use the research that you completed in yesterday's lesson to write a set of instructions about how to build an Anderson Shelter.

Success Criteria:

- ✓ You must include step-by-step instructions on how people construct the shelter.
- ✓ You must include colons and semi-colons.
- ✓ You should use fronted adverbials to indicate which step the person is on.
- ✓ You may wish to include sub-headings and diagrams.
