

Swansfield Park Primary School Pupil Premium 2017 / 18

Context

School is allocated, by the government, a sum of money each year to address the current underlying inequalities between disadvantaged children and their peers.

For the 2017 /18 financial year (based on the January 2017 census) this amount is £1320 for each child eligible for Free School Meals (FSM), £302 for early years pupil premium, £1900 for children adopted from care with an additional £300 for each child with a parent in the armed services.

At Swansfield Park Primary School this sum comes to £49,770. Currently 12.9% of our pupils attract Pupil Premium payments.

Schools are free to spend the Pupil Premium as they see fit, but are accountable for the success of their chosen expenditure.

- We ensure that teaching and learning opportunities address the needs of all of the pupils.
- We ensure that necessary, challenging provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of disadvantaged pupils are appropriately assessed and addressed.
- We recognise that there are disadvantaged pupils who do not qualify for Free School Meals, the Forces Premium or Pupil Premium Plus. We allocate resources to support any group or groups of children we have identified as being disadvantaged or vulnerable.
- Pupil Premium funding follows identified needs. This may mean that not every child who receives Free School Meals will be in receipt of Pupil Premium funded interventions all of the time.
- We recognise that not all pupils who receive the Pupil Premium Grant experience disadvantage at school. However, we ensure that more able children receive support to access appropriately challenging, motivating and enriching learning experiences.

We have used the Sutton Trust/ EEF toolkit to inform our decisions about the effectiveness of each approach/ intervention.

Most of these interventions have a focus on learning; a number have a focus on social and emotional development and there is some focus on the enrichment of the curriculum.

We have identified the needs of this group in the following ways and spent our funding as described in the table attached.

Planned Expenditure 2017/18

Allocation	What we plan to do	Why	Desired Outcome	Evaluation
£8,000	<p><u>Early Years Support</u> Provide dedicated session to develop core skills (language, PSE, physical and maths)</p>	To ensure that pupil premium children have an enhanced entitlement which gives them the opportunity to maximise their potential.
