

## **Sycamore Class Weekly Blog – Week 9**

Another fantastic week of work Sycamore class! Well done to Anya who is top of our leaderboard on Spellingframe. Who is going to knock her of the top spot this week. Remember the more you practise and play the games the more points you earn- all while improving your spelling skills.

It is getting harder and harder to pick a 'Star of the Week'. This week it has been awarded to William for your consistent fantastic work every week.

### **This week's learning**

Like the last 2 weeks you have your Reading Plus and Spelling Frame. In our writing task this week you are going to use the planning you completed as part of the last lesson to write a diary entry, pretending to be William. Don't forget to look at the success criteria on the PowerPoint. We are then moving onto Reading Chapter 2 of Goodnight Mister Tom. In maths, as in previous weeks you have TTRS, arithmetic and Big Maths. Then we are moving on from fractions to explore the relationship between fractions, decimals and percentages. This week we are going to explore what rationing was during WW2.

### **Work to submit this week:**

This week I would like you to submit a copy of your diary entry as an evacuee and a copy of your Big Maths.

[catherine.back@school360.co.uk](mailto:catherine.back@school360.co.uk)

Don't forget if you have any questions to drop me a message or why not make a post on our Google classroom so your classmates can help too.

### **English**

#### **Lesson 1- Spellings**

Your new spellings have been set on Spelling Frame. Make sure you take the test before Monday 22nd June. Who is going to knock Anya off the top of the leaderboard?

#### **Lesson 2- Reading Plus**

Make sure you log on and work through your 5 lessons.

#### **Lesson 3- Writing Lesson 1**

Make sure you have a look at the success criteria on the PowerPoint and send me a copy so I can give you personalised feedback.

#### **Lesson 4- Reading Chapter 2 Lesson 2**

Have a pencil or highlighter ready and underline all examples of descriptive language you find. These can be phrases or just adjectives. Remember if you don't know the meaning of a word to look it up using a dictionary.

## **Lesson 5- Grammar activities from Chapter 2**

The PowerPoint helps you to complete the Grammar based activities for Chapter 2.

### **Maths**

This week in maths, I would like you to complete your TTRS Garage sessions, next page of your arithmetic and Big Maths (Submitted task). We are then going to move onto exploring the relationship between decimals, fractions and percentages. Please work through the PowerPoints and complete the matching pages in your Home Learning pack. Make sure you have some paper handy and complete the examples, like we do using whiteboards in class.

### **Lesson 1- TTRockstar and arithmetic**

\_10 Garage sessions and the next page of your arithmetic pack.

### **Lesson 2-Big Maths- Submitted task**

Complete your next Big Maths sheet. Don't forget to send me a copy.

### **Lesson 3 - Fractions as decimals-**

Work through the PowerPoint and complete p6 and 7 from your Home Learning booklet.

### **Lesson 4- Percentages**

Work through the PowerPoint and complete p8 from your Home Learning booklet.

### **Lesson 5- Equivalent fraction, decimals and percentages**

Work through the PowerPoint to help you get started. Make sure you have p9 and 10 ready to complete as you work through it.

### **Humanities-**

This week we are going to be learning about rationing during WW2. Start by reading the reading comprehension and answering the matching questions. Then work your way through the PowerPoint. Now you have an understanding of what food people had during that time, your task is to design a weekly meal planner.

As always I am only an email away.

Stay safe and keep smiling

Miss B
