Red Word Challenge

Read the tricky words:

the      they      has      are

do      me      push

were      one      to      his

your      our      some

house      love      so      out

Challenge:

Can you read the words lots of times?

Can you read them in a different order?

Learn to spell the words with lines under. (If you know how to spell these words, choose some others)

## Ditty Time!

The emperor pushed his old clothes out of the way and put on his new outfit.

He did not know what to say! He did not see anything but did not want to say that! Oh what to do, oh what to say!

So he said to the tailors "I love my new outfit".

Hold a sentence:

"I love my new outfit" said the King in his house.

Write a sentence of your own. Can you use the red words?
