

RWInc session: Wednesday 3rd March.

New sound: ire (fire fire)

This a completely new sound for us - we haven't learned any other ways!

Can you have a go at reading these green words:

fire wire

hire inspire

conspire bonfire

RWInc session: Wednesday 3rd March.

Speed sounds - read the sounds (not the letter name)

t n c h ar o-e ea ou a-e oo

Green words - read these words by blending the sounds together

hat chin part cone clean around

crate moon June

Red words - read these words but tell your child the word if they get stuck

the is we to I she

Ditty - read the ditty more than once through (remember not to read it to your child first)

Help! Help! **The** bonfire **is** too big!

We need **to** hire a fire fighter.

I hope **she** can help.

She **is** on her way.

Once you've read the ditty a few times, have a go at writing today's 'hold a sentence':

The fire might burn all night

Extension: We need help to put out the bonfire
