

8th June 2020

Dear Parent / Carer

Year 6 children returning to school – Thursday 11th June 2020

As you will be aware from previous letters we have welcomed some of our younger children back to Swansfield Park this week. Following the success of this phased return, we are now able to welcome our year 6 children back to school from Thursday 11th June, initially on a full time basis.

Our priority is, and will always be, the safety of the children, staff and families and I would ask that you read and follow this guidance carefully.

Uptake for year 6 has been greater than in other years and in order to keep contact to an absolute minimum, children have been allocated to one of three “bubbles”. Each bubble will have its own access route, drop off and pick up times.

Your child will be in **Bubble 8** The relevant details for this group are:

Group Leaders: Mrs Murdy and Mrs Baxter

Classroom: Larch

Site access: Via The Park Gate and in through the classroom patio doors

Start time: 8.30am (prompt)

End time: 2pm

To help us control and limit the number of adults on site, we will be allowing our year 6 children to arrive and leave school as disclaimers as long as they continue to follow social distancing rules and do not mix with children from other bubbles in order to prevent social mixing. It is also important that start and end times are adhered to so that we can keep all members of our school community safe.

If parents choose to accompany their child to and from school, only one adult should bring and collect from school and they should live in the same household as the child, not an extended family member such as a grandparent. However, when parents are separated and have joint care either parent can accompany the child to school.

Lunches will be cooked as usual and the summer menu can be found on the school website. We will be offering a reduced choice and a cold pudding. If your child brings a packed lunch, please send it in a labelled, clean plastic bag which we will bin afterwards.

Children should wear school uniform if it still fits otherwise appropriate, clean clothes should be worn each day. It is also important that we limit the number of items being brought in to the school environment so we request that children only bring a named water bottle, coat and a sun hat into school with them and have sun cream applied before school.

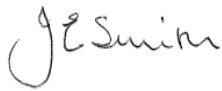

Please ensure that we have your up to date contact details so that we can get hold of you in an emergency.

Please be mindful of the symptoms of COVID 19 and if you have any of these please do not come to school and isolate your household for 14 days:

- High temperature
- New, dry, consistent cough
- Lack of taste and or smell

Many thanks for your support during these challenging times for us all.

Kind regards

Jenny Smith
