

Ash Class Home Learning: Tuesday 2nd March.

English - ReadWriteInc

1. Time for phonics. Warm up with some speed sounds - use one of the videos, or your own flashcards!
2. Today, we are introducing a new sound: 'ew' (chew the stew). Watch the video, then open the ditty sheet and encourage your child to read it to you.
3. Now have a go at today's 'hold a sentence': **she drew a big cat at the zoo**
4. Extension sentence: **you must chew your food with your teeth**

Maths - addition and subtraction within 20

Let's learn:

This week we're going to continue to practise our addition and subtraction skills. Today we are looking at subtraction crossing 10 again. Watch the video then complete the worksheet (if you can't print it out, write your answers on a piece of paper or tell them to an adult).

Practical Maths:

Let's practise our 'first, then, now' sentences. Can you make up little stories involving taking away? Make sure you start your three sentences with "First...", "Then...", and "Now...". For example: "First, Mr Rose had 15 balloons. Then, he let go of 7 of them. Silly Mr Rose! Now, he only has 8 balloons left."

Ash Class Home Learning: Tuesday 2nd March.

Topic - Art - Debra Sisson

Debra Sisson is an American artist. She paints animals. Last week, you created a picture of a cow in her style. This week, let's look at chickens!

Task: paint (or draw) a picture of a chicken - it could be a hen, a cockerel or even a chick! See if you can copy her style of painting. Don't worry if you haven't got paints, you can use crayons, pastels or pencils instead.

Physical challenge - Hopscotch in a hurry!

How many times can you complete the hopscotch grid and run back to the start in 60 seconds? Mark out a hopscotch grid - you could use masking tape if you're doing it inside! Then get hopping! Good luck!

Can you beat your score from Week 4?
