

Monday 11th May:

Here is today's little ditty to read together. But, look at the new sound on page 2 first!

Tricky word: ladybird fly walk

Come and meet my ladybird.

It likes to fly up in the air.

Then it lands on the lawn.

It can fly and it can walk.

It has spots and wings and six legs!

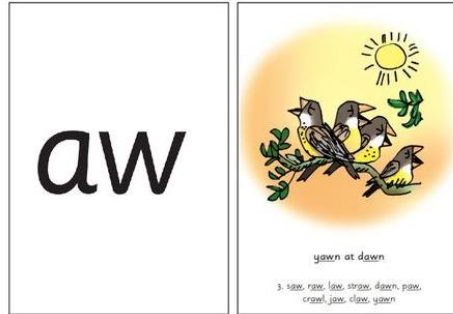

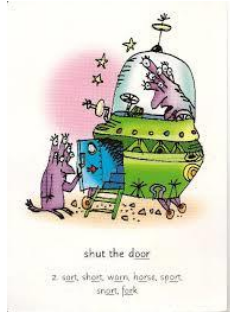

Notes to parents: I don't expect the children to be able to read the tricky words straight away but if you've looked at them together before you start to read, the children should be able to get them in context. Once you've read a few times you can have a go at writing today's 'hold a sentence'...

It has six legs.

Extension Sentence: **Look at its spots and wings.**

When writing, don't forget to encourage the children to use their neat writing, leave finger spaces and sound out their words. Happy reading and writing to you all!

Sound time!

Look, we can make this sound in 2 ways!
or, shut the door and aw, yawn and dawn
Now can you read the words...

lawn

thorn

corn

horn

prawn

yawn

saw

sort

hawk
