

Oak Class Home Learning: Tuesday 2nd March

English - Farmer Duck: describe the characters.

Now let's use more super adjectives to describe the characters from the story. Write in sentences to describe what the farmer looks like and what his character is like. Then describe Farmer Duck or some of the other characters from the story.

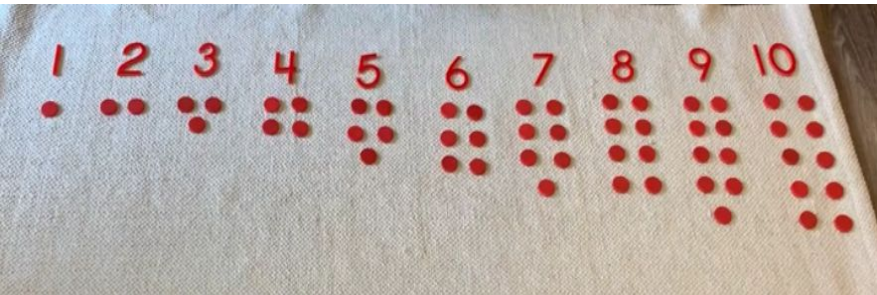

Maths - Odds and Even Numbers

Let's learn:

Today we're going to learn about odd and even numbers. Do you know what they are? Watch the video below and have a go at the worksheet.

Practical Activity:

Get some pebbles or Lego pieces or some other small objects. Lay them out like the picture. Tell someone in your family which numbers are odd and which are even.

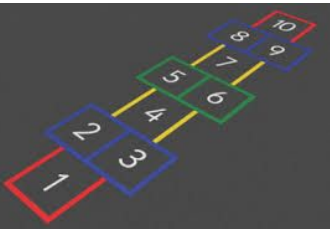

Oak Class Home Learning: Tuesday 2nd March

Topic - Art - Debra Sisson

Debra Sisson is an American artist. She paints animals. Last week, you created a picture of a cow in her style. This week, let's look at chickens!

Task: paint (or draw) a picture of a chicken - it could be a hen, a cockerel or even a chick! See if you can copy her style of painting. Don't worry if you haven't got paints, you can use crayons, pastels or pencils instead.

Physical challenge - Hopscotch in a hurry!

How many times can you complete the hopscotch grid and run back to the start in 60 seconds? Mark out a hopscotch grid - you could use masking tape if you're doing it inside! Then get hopping! Good luck!

Can you beat your score from Week 4?
