

## Wednesday 24th June

Here is today's ditty to read together.

*Tricky words: take      exciting      where*

This is **my** boat. It is a lot of fun to play with.

I put it in **my** bath. It can take **me to** exciting lands far away.

**Where would you like to go?**

Hold a sentence: My boat is in the bath.

Extension sentence: Can you write a sentence explaining where your boat is going to?.

## **Handwriting Practice**

**Let's look at some letters that need to have really sharp edges. Remember what we say in Plum Class – no wobbly bit on these letters!**

**w** (down, up, down, up!)

**v** (down, up!)

**z** (the children make the 'z' sound as they draw each line in one continuous motion, zz, zz, zz!)

***Make them so sharp I'd prick my finger on them!***
