

Primary PE Funding 2015/16 EVALUATION

Under the Primary PE and Sport funding initiative, in 2015/16 we received £8595 to support PE and sport in our school. The impact of the funding must be considered in terms of:

- delivery of high quality PE lessons
- participation and success in competitive school sport
- a broader range of activities on offer
- personal health and well-being of pupils
- promoting pupil activity through involvement in organised games at breaks and lunchtime.
- improved attitudes and behaviour towards learning

We proposed to spend this money in the following ways:
