| Pose                    |        |
|                         |        |
| Poseidon was the God of |        |
|                         |        |
| He was                  |        |
|                         |        |
| He lived                |        |
|                         |        |
|                         |        |
| When he was angry he    |        |
|                         |        |
|                         |        |
|                         |        |
|                         |        |

#### Hades

| Hades was the god of                      |    |
|---|----|
| Ancient Greeks were afraid of him because |    |
|   |    |
|   |    |
| Did you know?                             |    |
| He was also the God ofbecause             |    |
| Area was the Carl of                      | 25 |
| Ares was the God of                       |    |
| He was                                    |    |
| His symbols are                           |    |
|   |    |
| Did you know?                             |    |
| His throne was                            |    |
|   |    |

## **Aphrodite**

| Aphrodite was the goddess of      |     |
|-----------------------------------|-----|
| She was daughter of               |     |
| Did you know?                     |     |
| Aphrodite changed a statue into a |     |
| because                           |     |
|                                   |     |
| Hermes was                        | nes |
|                                   |     |
| He wore                           |     |
| Did you know?                     |     |
| Hermes invented                   |     |
|                                   |     |
|                                   |     |
