

What are we learning
this half term?
Autumn 1 2025

Our Curriculum Overview
for Apple Class

Phonological awareness

Children will enjoy taking part in phonological awareness activities focussing on Sound discrimination (environmental and instrumental).

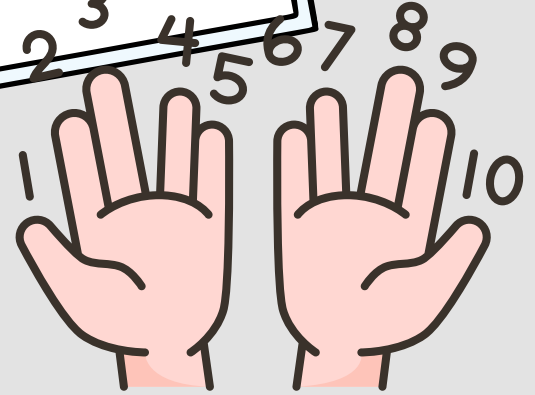

PHRSE (Jigsaw scheme)

Being me in my world

Maths

We follow the 'White Rose' scheme to develop a strong foundation and number sense for our children. We will be learning through practical activities and games and will enjoy counting songs, comparing collections, exploring and building with shapes and objects, exploring patterns and beginning to subitise.

Prior Learning

Children who have come from Cherry class have found out about who lives in their house and who is in their family..

Prior Learning

Prior Learning

Children who have come from Cherry class spent lots of time beginning to think about what they can see outside during Autumn..

During our topic "Marvellous Me", the children will be learning all about themselves and their facial features. We will learn the names of features, for example mouth, eyes and nose and think about how they differ from their friends. They will learn to identify things that are the same and things that are different about each other.

Our Harvest work is all about finding out about the role of a farmer at Harvest. We will enjoy the story 'Farmer Duck'

Autumn all around: Children will learn about spotting signs of Autumn and will identify specific changes including the changes to leaves, weather and think about appropriate clothing for this season.
